SIIQS Project Closing Seminar

The Closing Seminar of the Project for Supporting Institutionalizing and Improving the Quality of School-Based In-Service Training Activities (SIIQS) will take place on **Thursday, November the 28th at Hilltop Hotel in Kigali from 8:30-14:15.** Rwanda Education Board and Japan International Cooperation Agency have jointly implemented the project since 2017.

The SIIQS Project started with the objective of strengthening the implementation of teachers' continuous professional development (CPD) activities for quality learning. Major achievements include capacity enhancement of education officers at district and sector offices, as well as introduction of the Lesson Study at pilot schools as a concrete method for delivering quality Competence-Based Curriculum oriented lessons. The Closing Seminar will highlight these achievements, while the participants will also discuss the next actions for continued support towards teachers.

The guest of honor is Hon. Dr. Issac MUNYAKAZI, the Minister of State in Charge of Primary and Secondary Education. Dr. Irénée NDAYAMBAJE, the Director General of Rwanda Education Board, and Mr. Shin MARUO, the Chief Representative of JICA Rwanda Office will also preside over the event.
